EXPLANATION OF LEGEND
ITEMS

- Roads Open to Highway Legal Vehicles Only:
These roads are open only to motor vehicles licensed under State law for general operation on all public roads within the state.
- Roads Open to All Vehicles:
These roads are open to all motor vehicles, including smaller off-highway vehicles that may not be licensed for highway use (but not limited to off-highway or overweight vehicles under State traffic law).
- Trails Open to All Vehicles:
These trails are open to all motor vehicles, including both highway legal and nonhighway legal vehicles.
- Trails Open to Vehicles 50 inches or Less in Width:
Trails open only to motor vehicles less than 50 inches in width at the widest point on the vehicle.
- Trails Open to Motorcycles Only:
These trails are open only to motorcycles. Sidecars are not permitted.
- Seasonal Designation:
This symbol, used in conjunction with one of the other road or trail symbols, indicates that the road or trail is open only during certain portions of the year. Refer to Seasonal and Special Designation Table for further instructions.
- Dispersed Camping:
Dispersed Camping, Both Sides
Dispersed Camping, Left Side
Dispersed Camping, Right Side
This symbol is used along with a designated road or trail to indicate limited cross-country motor vehicle use within a specific distance of that route, solely for the purpose of dispersed camping. The dots indicate where this activity is permitted. They may be on the left, right, or both sides of the route. Refer to the Dispersed Camping Table for further instructions.
- Other Public Roads and Trails:
Interstate
Highways, U.S. State
Other Public Roads
These symbols are used to show routes the Forest Service does not have jurisdiction over and has not designated for motorized use. These symbols are part of the reference layers showing connections to towns and cities outside the forest boundary.
- Short Route Identifier:
[Symbol]
The symbol is used for roads that are too short to show a symbol type on the map. The symbol contains the number of the road or trail. Users should refer to the corresponding number in the Short Route Table for designation information.
- Motorized Trail Access:
[Symbol]
This symbol indicates a trailhead for access to a motorized route. Not all motorized routes have trailheads and those that do may range from primitive to developed.
- Areas Open to Cross Country Travel:
[Symbol]
These areas are on National Forest System land that allow cross-country travel by motorized vehicles. Specific vehicle classes and seasonal designations may be indicated in the Seasonal and Special Designation Table.
1. Routes With A Special Designation - There are no routes with a special designation on the Coconino National Forest.
2. Areas Open To Cross Country Motorized Uses - The Cinder Hills Management Area (located on the North of the MVM) is open to all motor vehicles year around. There are no areas open to cross country motorized uses on the South Half of the MVM.
3. Dispersed Camping - Motor vehicle use off of designated roads for the purpose of dispersed camping is permitted on National Forest Lands up to 300 feet from the centerline of the road, where designated. The large majority of these dispersed camping designations allow for motor vehicle use up to 300 feet on either side of the centerline of the road. Approximately 32 miles of designated roads include dispersed camping designations for motor vehicle use up to 300 feet on only one side of the road, which is illustrated on the map.
4. Game retrieval - When an elk has been legally taken in Game Management Units 5A, 6B, 7E, 7W, and 8, the individual who legally took the animal may drive or be driven to the downed elk. Under no circumstances may a second vehicle be used to retrieve the animal. The vehicle used to retrieve the elk may be operated off of designated roads on non-wilderness National Forest Lands up to one mile from designated routes. Motor vehicle use off of designated roads is not allowed for game retrieval for any species other than elk. Motor vehicle use off of designated roads is not allowed for game retrieval of any species, including elk, in game management units 5A, 5B5, 6BN, or 11.
5. Roads in developed campgrounds - All roads in developed campgrounds are designated for highway legal vehicles only. Vehicles that do not qualify as highway legal or unlicensed drivers are not allowed to drive on roads within developed campgrounds.
6. Riparian Areas - Motor vehicle use off a forest road or trail for purposes of dispersed camping or game retrieval shall not cross riparian areas, streams and rivers except at hardened crossings with existing culverts.
7. Casner Mountain Trail - Casner Mountain Trail (Trail No. 8) is designated as a motorized trail. This is a primitive trail with very rugged conditions along a narrow ridge, with limited opportunity for two-way traffic. To ensure the safety of those who use this route, those wishing to drive on this trail must first check-in with the Red Rock Ranger Station to receive a key to access this trail.
